1. Safety and Security: -

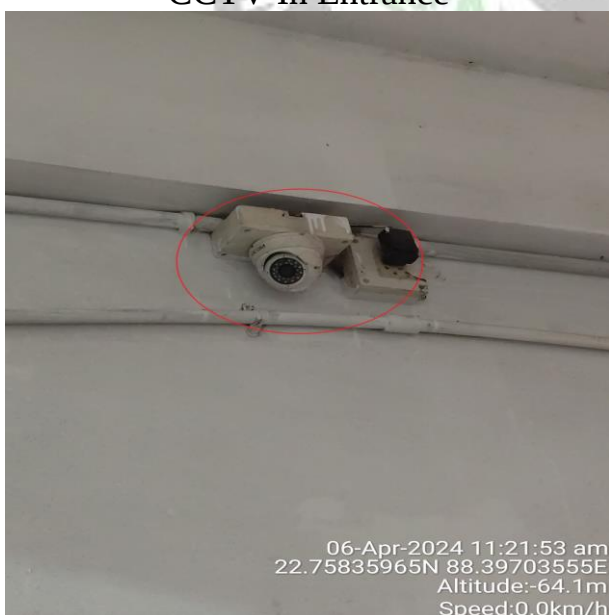

The institute places a high priority on the safety and security of its students and staff. CCTV monitors key areas such as the main entrance, examination halls, canteen, classrooms, laboratories, and corridors. Security guards are stationed at strategic spots across campus. Everyone must wear an identification card when on campus. As a safety measure, female students and staff can park in a designated location. The notice board displays the neighbouring police station's contact information as well as toll-free helpline numbers. Additionally, fire extinguishers are strategically placed across the campus for general safety.

GIRL STUDENTS' COUNSELLING SESSION

ORGANIZED BY INTERNAL COMMITTEE

A Report

(2023 – 2024)

Girl students' counselling is one of the important regular activities in the college which is aimed at encouraging and nurturing girl students to excel in academics and to help them for their overall development. This activity provides support and guidance for personal and professional development. Faculties are allotted for the counselling of the departmental girl students each year. Girl students are encouraged to express their views and suggestions for the development of the institute also. Students are advised to talk freely about their mental stress on lack of concentration and motivation for studies, under achievement, backlogs, exam stress, and unhealthy competition, homesickness, peer pressure, low confidence, self-esteem etc.

The Internal committee of RERFGI have organized a three days counselling session for 3rd year and 4th year girls students for their upcoming overall future development.

TOTAL NO. OF PARTICIPANTS: 24

PURPOSE OF COUNSELLING

- To help the girl student know their interests, abilities and available opportunities.
- To find out their hidden talents.
- To work out a plan for solving their difficulties

OUTCOMES OF THIS SESSION:

Counseling for girls can have a variety of positive outcomes, depending on the individual needs and goals of the counseling process. Here are some potential outcomes:

1. Improved Mental Health
2. Enhanced Self-Esteem
3. Stress Management
4. Conflict Resolution
5. Improved Academic Performance
6. Focus and Concentration
7. Enhanced Social Skills
