SURVEY ON SAFETY AT WORKPLACE

Internal Committee of Regent Education and Research Foundation Group of Institutions conducted a survey to understand current perceptions and conditions related to workplace safety among all the present employees. The survey was conducted online and included a series of questions designed to assess employees' views on safety measures, incident reporting, and overall safety culture. Participants were assured of anonymity to encourage honest responses.

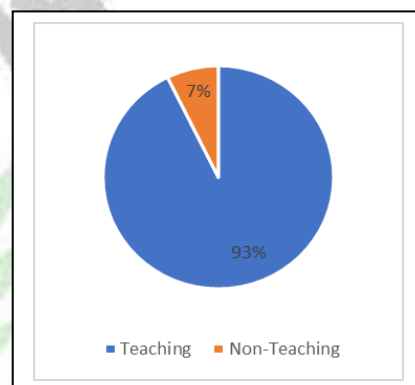

Survey Period: 25.06.2024 to 28.06.2024

2. Do you feel confident in your knowledge of the emergency procedures in place at your workplace?

3. Do you feel that management prioritizes workplace safety?

The survey results indicate that the organization has established a solid foundation for workplace safety, as evidenced by high levels of satisfaction with safety measures and training. However, there is room for improvement in ensuring that all employees are fully aware of safety policies and feel confident in the importance placed on safety by all levels of management.
