## Group of Institutions

### Speaker:

Dr. Somnath Das has graduated in Production Engineering in 2009 from Haldia Institute of Technology, Haldia, West Bengal under West Bengal University of Technology with First class. He completed his M. E. in Production Engineering in 2011 from Production Engineering Department, Jadavpur University, Kolkata. Then he joined Haldia Institute of Technology as Assistant Professor in Production Engineering Department in July, 2011. After that, he joined as Research Fellow under “UGC-BSR Research Fellowship in Science for Meritorious Students’ 2011-2012 in April, 2012. He has done his research work in the area of ultrasonic machining during entire duration. Then he joined Swami Vivekananda Institute of Science and Technology as Assistant Professor in Mechanical Engineering Department in August, 2013 and working in the same department till date. Now he is an Associate Professor and TIC in Mechanical Engineering Department. Presently he also holds Start Up Activity Co-ordinator and National Innovation and Startup Policy (NISP) of Intuition Innovation Council (IIC) cell SVIST, NAAC IQAC member, Exam Cell Supervisor, Co-Convenor of Smart India Hackathon Committee. He has published 12 research papers in national and international referred journals as well as presented and published more than 20 research papers in reputed national and international conferences. He has also published one book chapter in Springer publication related to advance machining processes and published eight book chapters. He also attended so many reputed international conferences. He also organized 14 national and one international workshop related to advance machining processes in Swami Vivekananda Institute of Science and Technology. His area of expertise is advance manufacturing technology and applications. He has got several offered to deliver a speech on his research area “Industry 4.0” from various reputed institutions and abroad University also. He has attached with Indian Institute of Foundry (IIF)- Kolkata as a Treasure cum council member and also associated with International Association of Engineers (IAENG) as a member. He is also attached as a guest faculty in the department of Mechanical Engineering at Swami Vivekananda University (SVU), Barrackpore. He has guided more than 10 M. Tech projects and one PhD Projects in different organization. He has published two patents in the year 2022. He has completed seven Consultancy Projects from different Industry in West Bengal.

### Description of the Program

A total of 30 students and 15 faculty members of RERFGI attended the programme The webinar was conducted online without any interruption. It was a great informative session; students were highly benefited by this webinar. Overall, thanks to everyone this event was a grand success. E-certificate was provided to each participant after submitting the feedback form at the end.
