Mentor-Mentee Ratio

The mentor-mentee ratio is evaluated in our institution to assess the quality of support and guidance that the students receive from the faculties. A well-balanced mentor-mentee ratio ensures that mentors can provide adequate personalized attention and guidance to each student. This is crucial for the overall development of students, helping them navigate academic challenges, career advice, and personal growth. This mentor-mentee ratio is calculated by dividing the total number of mentees by the total number of mentors.

Total Number of Mentors in college: 65

Total Number of Students: 1512

Mentor- Mentee ratio:

$$\frac{\text{Number of Mentees}}{\text{Number of Mentor}} = \frac{1512}{65} = 23.2$$

Ratio of Mentor-Mentee 1:23

CIRCULAR

Subject: Assignment of Mentors to Mentees for the 2023-2024 Academic Session

Date: 12th July 2023

This is to inform all concerned that mentors have been assigned to students of the Mechanical Engineering Department for the 2023-2024 academic session (both odd and even semesters). This initiative aims to provide academic guidance, personal support, and career counseling for 2nd, 3rd, and 4th-year students. Each mentor will oversee a group of 15 to 20 mentees, ensuring comprehensive support and regular interaction. Below is the list of mentors assigned to this academic session:

- Dr. Abhijit Biswas
- Dr. Rahul Kanti Nath
- Dr. Pabitra Maji
- Mr. Aninda Das
- Mr. Puspendu Chandra Chandra
- Mr. Debtanu Patra
- Mr. Banarshi Pandey
- Mr. Arpan Mandal

The detailed list of mentor-mentee assignments is attached with this circular. All mentors are requested to initiate meetings with their mentees at the earliest to discuss academic progress and provide any necessary guidance. Students are encouraged to reach out to their assigned mentors for assistance with academic and career concerns.
