National Sports Day Celebration

National sports day is celebrated across the country on 29th August 2023 as tribute to Major Dhyan Chand for his exceptional contribution to Indian sports. On the auspicious day, the Sports committee of Regent Education and Research Foundation Group of Institutions in association with the NSS cell of the institute organized sporting events such as Badminton Mixed Doubles, Badminton Boys Doubles and Table Tennis (Singles) along with motivational talk for students.

Banner and Flex of the event

For the sporting events, neighboring colleges such as Regent Institute of Science and Technology and Swami Vivekananda Institute of Modern Studies were also invited. In the doubles tournaments, the focus was to create teams consisting students from different colleges in effort to promote **integration** which is an essence of sports.

About the Program:

Save nature is very important right now. We should aware how to lead an eco-friendly life. Earth is our only home and we should do everything to protect it. Climate change and other environmental problems threaten all life to planet. To save our earth, we have to plant trees. Trees not only give oxygen to breathe but to live a healthy life in a healthy atmosphere.

With this thought, NSS team of RERFGI organized an awareness program of "Greener the earth, better the life". The main aim of the event was to create consciousness among people about saving our mother earth. The whole event was set up among the local people of Ruiya, Telini Para surroundings. On this day, NSS Volunteers and respective faculties put the slogans with hand posters and banners to raise awareness on "Greener the Earth and Better the Life".

This event started at 11:00 am and continued for 2 hours. The whole event was giving the picture of emphasizing the importance of planting trees to save our mother earth.
