Group of Institutions

A Webinar on “Can AI Replace J-Gate?” was organized by the NDLI Club of Regent Education and Research Foundation (RERF) on 21st August 2025 from 2:00 PM onwards. The session focused on discussing the evolving role of Artificial Intelligence in information retrieval and academic research, and whether AI tools can complement or replace traditional scholarly databases such as J-Gate. The event featured Mr. Mahendranath Sarkar, Training Manager, Informatics Publishing Ltd., Bengaluru, as the guest speaker.

During the session, the speaker explained the importance of scholarly databases like J-Gate in providing access to peer-reviewed journals, while also highlighting how AI tools assist students and researchers in faster information discovery and understanding complex topics. The talk created an engaging discussion about the future of research platforms and the role of AI in academic environments.

Objectives:

- To discuss the role of Artificial Intelligence in modern academic research and information retrieval.
- To understand the features and importance of J-Gate as a scholarly journal database.
- To explore whether AI tools can complement or replace traditional academic research platforms.
- To encourage students and faculty members to use reliable digital resources for research and learning.

The program was organized via online platform, Google meet: (meet.google.com/cmj-pteu-ngh).

Number of Students Participated: 39

Number of Faculty Members Participated: 20

The organizing committee was formed as follows:

Coordinator	Mr. Bidyut Kumar Ghosh	President, NDLI Club of RERF
Organizing/Technical Committee	Mr. Sabyasachi Mukherjee	Assistant Professor, ME Department, RERF

In the inauguration program a warm welcome address was given by Mr. Sabyasachi Mukherjee, Assistant Professor, ME Department, RERF. The program was hosted by Mr. Sabyasachi Mukherjee, Assistant Professor, ME Department, RERF. There was scheduled a questionnaire session for the audience with the speakers and the day's program was ended with vote of thanks by Mr. Bidyut Kumar Ghosh, President, NDLI Club of RERF of the program.

	2:10 PM- 2:50 PM	Keynote Lecture
	2:50 PM- 2:55 PM	Q&A
	2:55 PM- 3:00 PM	Vote of Thanks

Event Outcomes:

- Participants gained a clearer understanding of the role of Artificial Intelligence in academic research and information retrieval.
- Attendees learned about the features and advantages of J-Gate as a reliable scholarly database for accessing peer-reviewed journals.
- The session helped participants compare AI tools and traditional research platforms, enabling them to understand how both can be effectively used for learning and research.

Conclusion:

The webinar successfully created awareness about the growing influence of Artificial Intelligence in research practices while emphasizing the continued relevance of scholarly databases like J-Gate. The session encouraged participants to adopt a balanced approach by using AI tools for quick understanding and J-Gate for authentic academic references, making the discussion insightful and beneficial for all attendees.
